

TAKEOUT TIPS

In an effort to keep our team members employed during this challenging time, the restaurant at Friday Harbor House is now offering a 25% discount on all takeout orders, and we are encouraging our patrons to “tip the difference” of the 25% discount, which will go directly to our team. We understand these are trying times for all, so we sincerely appreciate you supporting our Island community.

The restaurant is open for takeout seven days a week from 8-11 am for breakfast and from 4-8 pm for dinner. Visit our profile link to view the menu and call in your order at 360.378.8455. We’ll give you an estimated time food will be ready and plan to greet you curbside.
